## We're here when you...

- ✓ Need help with a complex case
- ✓ Need to use a specialist
- ✓ Don't have enough time
- ✓ Don't have the resources
- ✓ Have a difficult patient
- ✓ Need specialist equipment

We work hard to support our dental partners, creating a first-class experience for patient & practice.

## Communicate & refer quickly

A referral portal designed  
by dentists, for dentists.

"Friendly,  
knowledgeable  
and helpful in  
every way"

We have worked extensively with  
dentists to develop a Dentist Portal  
that we believe is one of the first in  
the dental industry - a step change in  
how dentists communicate with each  
other to provide better patient care.

We enable dentists to refer  
patients with complex treatment  
needs to us and offer them the  
highest level of care, treatment  
options and to stay continuously  
updated on their patients journey  
before returning to your practice.

"Truly amazing  
people and  
service"

"A fast and  
efficient referral  
from my regular  
dentist"

## Transparency & professionalism

Fulham Road Dental operates  
a referral service to support  
your Dental Practice.

We set ourselves the goal of  
building a talented team and  
creating a culture of teamwork  
and collaboration.

Our surgeries are equipped with the  
latest medical technology and have  
been designed to provide a warm,  
calming and comfortable setting  
for patients to receive treatment.

Our uncompromising approach has  
attracted renowned dentists in their  
respective field, working together to  
create a multi-disciplinary practice.
